Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Improved student learning & academic outcomes – as defined by the school pedagogical framework where collegial sharing, planning & delivery is consistent across year levels through a team approach
  - Refine and build consistent approach to segmenting and blending program Prep - Y1
  - Warm ups and explicit teaching delivered with consistency across the school
- Provided a whole school targeted intervention approach – responsive to school based academic, SEL and behavioural data and NAPLAN assessment.
  - Improved tracking of student assessment through utilizing high quality assessment tools
  - Engaged in action research to improve student performance
  - High end targeted vocabulary development and literacy programs Y1-7
  - Further refined STL&N program
- Provided learning environment where teacher capacity building is the norm – continue to strengthen the depth of knowledge of all staff to meet the schools improvement agenda. Research based projects include
  - QSIL program – Minilit
  - Vocab acquisition – refining oral language program Year 1, Strive program Y1 & 2
  - RoleM maths program P – Y3
- Built meaningful school and community partnerships linking with service & agencies to provide improved educational opportunities to students and professional opportunities to staff
  - Engage students in University pathways programs
- Enhanced the image of the school within the local and wider community – by engaging parents, communicating high expectations and achievements of school while promoting school vision
  - Communication book introduced and used across the school
