Under this agreement for 2014, Durack State School will receive $259,980.

This funding will be used to improve literacy & numeracy levels:
- All students set reading goals
- Increase Year 3 students in upper 2 bands in writing from 18.6% to 30% by 2015
- Increase Year 3 students in upper 2 bands in reading from 25.3% to 30% by 2015
- Increase Year 3 students in upper 2 bands in numeracy from 9.8% to 30% by 2015

Attendance – 93.5% by 2015 (Aboriginal and Torres Strait Island students within 2%)

Our strategy will be to:
- Improve student learning & academic outcomes – as defined by the school pedagogical framework where collegial sharing, planning & delivery is consistent across year levels through a team approach
- Provide a whole school targeted intervention approach – responsive to school based academic, SEL and behavioural data and NAPLAN assessment
- Provide learning environment where teacher capacity building is the norm – continue to strengthen the depth of knowledge of all staff to meet the schools improvement agenda
- Build meaningful school and community partnerships linking with service & agencies to provide improved educational opportunities to students and professional opportunities to staff
- Enhance the image of the school within the local and wider community – by engaging parents, communicating high expectations and achievements of school while promoting school vision

Our school will improve student outcomes by:
